The world has been horrified by recent events in Ukraine.

The mainstream media has not been reporting the facts including a hidden history of nefarious covert activities that fit with the past pattern of U.S. foreign policy.

This Teach-in Webinar will illuminate the backstory the media has not reported, and challenge the dominant narrative about the war.

We will further raise concerns about the growing threat of nuclear conflagration while provoking discussion about what the peace movement should now be doing.

Speakers include:

Ray McGovern, former CIA Analyst and Russia expert, founder Veterans Intelligence Professionals for Sanity

John Kiriakou, CIA whistleblower and Radio Sputnik host

Scott Ritter, former U.S. Marine Intelligence officer, UN Arms Inspector, exposed WMD lie in U.S. push to invade Iraq

Gerald Horne, historian, author, Chair of History and African American Studies at the University of Houston

Jeremy Kuzmarov, CAM Managing Editor and author of *The Russians Are Coming, Again: The First Cold War as Tragedy, the Second as Farce*

James Carden, Adviser U.S.-Russia bilateral commission during the Obama administration & Ex. Editor of The American Committee for East-West accord

Chris Kaspar de Ploeg, author *Ukraine in the Crossfire*

Andrei Martyanov, expert on Russian military affairs, author *The Real Revolution in Military Affairs*

Ron Ridenour, peace activist, author *The Russian Peace Threat*
